Это цифровая копия книги, хранящейся для потомков на библиотечных полках, прежде чем ее отсканировали сотрудники компании Google в рамках проекта, цель которого - сделать книги со всего мира доступными через Интернет.

Прошло достаточно много времени для того, чтобы срок действия авторских прав на эту книгу истек, и она перешла в свободный доступ. Книга переходит в свободный доступ, если на нее не били изданы авторские права или срок действия авторских прав истек. Переход книги в свободный доступ в разных странах осуществляется по-разному. Книги, перешедшие в свободный доступ, это наш ключ к ирпиголому, к богатствам истории и культуры, а также к знаниям, которые часто трудно найти.

В этом файле сохраняются все пометки, примечания и другие записи, существующие в оригинальном издании, как наименование о том долгом пути, который книга прошла от издателя до библиотеки и в конечном итоге до Вас.

Правила использования

Компания Google гордится тем, что сотрудничает с библиотеками, чтобы перевести книги, перешедшие в свободный доступ, в цифровой формат и сделать их широкодоступными. Книги, перешедшие в свободный доступ, являются собственностью, а мы лишь хранили ее до конца. Тем не менее, наше книга достаточно дорогого стоит, поэтому, чтобы и далее предлагать этот ресурс, мы ищем людей, которые готовы к определенному взаимодействию, предотвращающие коммерческое использование книг, в том числе установив технические ограничения на автоматические за запросы.

Мы также просим Вас о следующем.

- Не используйте файлы в коммерческих целях.
  Мы разработали программу Поиск книг Google для всех пользователей, поэтому используйте эти файлы только в личных, некоммерческих целях.

- Не отравляйте автоматические запросы.
  Не отправляйте в систему Google автоматические запросы любого вида. Если Вы занимаетесь изучением систем машинного перевода, описания распознавания символов или других областей, где доступ к большому количеству текста может оказаться полезным, свяжитесь с нами. Для этих целей мы рекомендуем использовать материалы, перешедшие в свободный доступ.

- Не удаляйте атрибуты Google.
  В каждом файле есть "водяной знак" Google. Он позволяет пользователям узнать об этом проекте и помогает им найти дополнительные материалы при помощи программы Поиск книг Google. Не удаляйте его.

- Делайте это законно.
  Независимо от того, что Вы используете, не забудьте проверить законность своих действий, за которые Вы несетете полную ответственность. Не думайте, что если книга перешла в свободный доступ в США, то ее на этом основании могут использовать читатели из других стран. Условия для перевода книг в свободный доступ в разных странах различные, поэтому нет единых правил, которые могут определить, можно ли в определенном случае использовать определенную книгу. Не думайте, что если книга появилась в Поиске книг Google, то ее можно использовать как угодно и где угодно. Наказание за нарушение авторских прав может быть очень серьезным.

О программе Поиск книг Google

Миссия Google состоит в том, чтобы организовать мировую информацию и сделать ее всесторонне доступной и полезной. Программа Поиск книг Google помогает пользователям найти книги со всего мира, а авторам и издателям - новых читателей. Полнотекстовый поиск по этой книге можно выполнить на странице [http://books.google.com/](http://books.google.com/)

ИХЪ РУКОПИСИ,

ОСМОТРЪНЫЙ ОДНИМЪ АНГЛИЙСКИМЪ ПУТЕШЕСТВЕННИКОМЪ

въ

1858 году.

МОСКВА.
Въ Университетской типографіи (Катковъ и Ко),
на Страстномъ бульварѣ.
1871.
Издание Императорского Общества Истории и Древностей Российских при Московском Университетѣ.

Москва. Въ Университетской Типографіи (Катковъ и Ко), на Страстномъ бульварѣ.
В 1859 году Настоятель Русской Миссии в Йерусалиме, Архимандрит Леонид, приобрел, покупкой на торжнице, у одного Араба, рукописную тетрадь в 4-ку, переплетенную в черную тисненную бумагу, и в ней синеватой бумаги 39 граффитных осмушек, по 21 линей в каждой странице, из коих на 78 страницах поименованы Греческие рукописи разного содержания, харатейны и бумагные, находящиеся в книгохранилищах Востока, именно: в 2-х Каирских (Патриарха Александрийского 93 и там же монастыря Св. Екатерины 8), 1-м Йерусалимском (Св. Гроба 108), 1-м окрестном (Св. Креста 8), 1-м близ Мертвого моря (Св. Саввы 63 + 59), в 7-ми на островах Средиземного моря (Патмоса, Св. Софииа Евангелиста 131; Кирил Епископской у Ларнака 2, Архипелагской в Никосии 4; Родос Митрополитской 11; Крит Епископа Канейского 1, монастырь Св. Константина в Аркалии 1, Св. Или при Рустики 1, Св. Антония в Пазанеса 1, Св. Марии близ Кастр 3, Св. Ионы в Сити 3; Милосе у старинрюр 10, других частных лиц 8; Парос в монастыре Св. Георгия 3, Св. Мины 2; Наксе Св. Романа 2; в Цареграде в Серале 21, Патриарха Йерусалимского 15, Доктора Миллингена 4, монастырь Пресв. Девы в Халкедоне 10; всего 535, и 2 грамоты (1713 г.). При каждой рукописи, кроме заглавия, указаны формат, вещество (пергамент, бумага) и век. Рукописи большею частью духовного содержания (Отцы Церкви: Василий В., Григорий Воцелов, Иоанн Златоуст, Иоанн Дамаскин, Иоанн Лествичник, Агапеасий, Кирилл Александрийский, Йерусалимский,
Исидоръ, Максимъ Исповѣдникъ, Макарій, Ефремъ Сирій, Нилъ, Ириней, Епианій, Нифонтъ, Андрей Критскій, Антиохъ, Теодоръ Студій, Анастасій Синаитъ, Григорій Назіанзинъ, Григорій Нисскій, Оригенъ, Германъ, Діонисій Ареопагитъ, Дороѳей, Теофанъ, и мн. др.), также относящіяся до Церковной и вообще Исторіи, Географіи, Философіи, Филологіи, Краснорѣчія, Математики, Физики, Медицины, Каноническаго Права, Грамматики и Лексикологіи, но есть и классики Греческіе (Геродотъ, Ксенофонъ, Гомеръ, Гезіодъ, Трагики, Аристофанъ, Пиндаръ, Демосеентъ, Искрать, Горгій, Аристотель, Птолемей, Лукіанъ и др.); довольно на патаментъ и очень древнихъ, начиная съ VIII вѣка; впрочемъ, нѣть недостатка и въ рукописяхъ новѣйшаго времени (XVII—XIX). Тетрадь эта, вѣроятно, любознательнымъ путешественникомъ забыта въ одной изъ гостиницъ Иерусалимскихъ и попала въ руки служившаго въ ней Араба, который и продалъ ее на нашемъ деньги за полтину серебромъ. Ежели у путешественника этого не сохранилось черновыхъ замѣтокъ, и онъ не былъ имъ нигдѣ еще напечатанны во всѣобщее свѣдѣніе, то мы, не желая, чтобы труды, предпринятые имъ по любви къ знанію, пропали даромъ, печатае мы оные въ нашемъ повременномъ изданіи. Выть можетъ, это дойдетъ какъ ни есть и до него, и онъ скажетъ сохранившимъ подъятый имъ трудъ спасибо,—и утѣшится, другіе же ученые не преминутъ воспользоваться собраннымъ имъ и предлагаемымъ нами здѣсь, каждый по своему разумѣнію и возможности, и поблагодарить случай, доставившій трудовое дѣло путешественника въ свѣдѣнія и надежныя руки.

о. Бодяницкій.

7 Генваря, 1871 г.
Москва.
